Room Set Up Options

Style		Description
Banquet		Generally used for meals and sessions involving small group discussions.
Reception		Used for stand-up social functions where beverages and light foods are served. May precede a meal function.
Classroom		Ideal set up for medium to large size lectures. The room is relatively large and tables provide attendees with space for spreading out materials and taking notes.
Theater		Appropriate for large sessions and short lectures that do not require extensive note taking. Set up is convenient to use before breaking into discussions or role playing groups because chairs can be easily moved.
E-shape U-shape T-shape		Excellent for groups of fewer than 40 people. Best for interaction with a leader seated at head of the set up.
Conference & Hollow Square		Appropriate for interactive discussions and note taking sessions for fewer than 25 people.
